13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the final site is ready for final inspection.)

The application for our proposed drill well, Poker Lake Unit #144, was approved by your office on 12/15/98 for a surface location at 2310' FSL and 330' FEL of Section 31. We have since moved the surface location 480' farther West to 2310' FSL and 810' FEL of Section 31. Mr. Barry Hunt of the BLM has inspected the new site and road extention and approved the re-location on July 27, 1999. An extention to our existing archaeological survey reported to you on April 8, 1998 will be performed in the near future.
