RE: Commingling Order CTB-463

Authorization to Commingle Nash Draw-Brushy Canyon (47545) Pool Production

Dear Sir:

The above order was written to show the lease wells in the Lease Description. Please add another well to the Gold Rush "31" Federal Lease (Federal Lease No. NM-92180) as shown on the enclosed Form C-102 Well Location and Acreage Dedication Plat and approved BLM Form 3160-4 Well Completion.

There will be no change in the allocated production method, the installation and operation or the storage of the commingled production. An updated schematic diagram is enclosed to show the additional well tie-in.

Please amend the above commingling order to show the additional well. Should you need further information, please call Dorothea Logan, Regulatory Analyst at (915) 684-7441

Sincerely,
