12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Yates Petroleum Corp. respectfully requests permission to change the setting depth of the 13 3/8" casing from 650' to 850'. This is still prior to casing the salt but will case off the portion of the Ruslter Anhydrite that generally can cause hole problems in this area.

Thanks you,

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
