Mr. Justin Newman
Oil Conservation Commission,
205 Booker Bldg.,
Artesia, New Mexico

Dear Mr. Newman:

I own the SW $\frac{1}{4}$ of Sec. 10-26S-24E. The
Oil well which was known as the H. N. Smith No. 1 Leeman
on this acreage has been completed into a water well.
I approve the way the well was completed and the surface
surrounding the well was leveled and cleaned in a satis-
factory manner to me.

Very truly,

A. M. Leeman
