Dear Mr. Armstrong:

Enclosed are Forms C-103 and C-105 on the Cree Drilling Company,
Inc. #1 UNION-PARKS.

The slush pit at this location is too wet to fill and it will
probably be 30 days before it dries up enough to be properly
filled and levelled. We will advise you when this work is finished.

Would you please send us another supply of these forms.

Very truly yours,

CREE DRILLING COMPANY, INC.
