Att: Mr. Jack Frost

Dear Sir:

Confirming our telephone conversation of July 12 1957 , in regard to the abandonment of the Randel-Federal #1 and commencing a new hole 20 feet north to be called the Randel-Federal #1k, I am enclosing 5 copies of your form # 9-331a known as SUNDRY NOTICES AND REPORTS ON WELLS.

It is my understanding that this completes the necessary forms that are required prior to the commencement of drilling operations on federal lands.

However, if there is anything further that I should furnish, please contact me.

Yours very truly
