Re: Aldridge & Stroud, Inc., Signal-
State No. 2 well, SE SW Sec. 28-
25S-28E, Wildcat, Eddy County, New
Mexico

Dear Mr. Stroud:

This letter will acknowledge receipt of your Form C-101, Notice of Intention to Drill the above captioned well. However, before approval can be made you must supply us with two additional copies of the surveyor's plat, Form C-128. Three copies are required as set out in Rule 1104.

Also I note that you have designated this well as the No. 2 Signal-State. In this connection, I think you should file a Form C-103 changing the No. 1 State of New Mexico to No. 1 Signal-State.

Very truly yours,

OIL CONSERVATION COMMISSION
