Dear Sir:

We received form C-103 on October 31, 1957, stating the pits had been filled, location leveled and cleaned of junk.

We inspected location and found the pits & cellar not filled, dead man loops not cut and no location on marker.

Will you please attend to this as soon as possible and notify us when work has been completed.

Yours very truly,

Dear Sir:

On October 2, 1971, I received from the FBI a letterhead memorandum dated October 1, 1971, regarding the activities of the Black Liberation Movement (BLM) in the New York City area.

The BLM is a national organization which was founded in 1966. It is a multi-racial organization which is dedicated to the elimination of racial discrimination and the achievement of equal rights for all people.

The BLM is a very active organization which is engaged in a variety of activities. It is a very vocal organization which is active in the area of civil rights. It is a very active organization which is active in the area of social justice.

Sincerely,  
J. Edgar Hoover
