Humble State, #1,
SW SW, S21-T26S-28E. ✓

Dear Sir:

This will acknowledge receipt of form C-103, regarding the plugging of the above mentioned wells.

However, in checking your location I find one (1) dead man wire not pulled or cut. This matter must be taken care of before approval can be given on forms C-103.

Please notify this office as soon as this work has been completed on both wells.

Yours very truly,

OIL CONSERVATION COMMISSION

M. L. Armstrong,
Supervisor, District No. 2
