Mr. L. A. Hanson
Oil & Gas Inspector
New Mexico Oil Conservation Commission
205 Carper Bldg.
Artesia, New Mexico

Dear Mr. Hanson:

Attached find Forms C-103, which I have filled out reporting "Beginning Drilling Operations," and "Report on Result of Test Of Casing Shut-Off."

I trust you will find these reports in order.

I am confident we now have the water shut off, as we have drilled ahead about fifty feet below the pipe set, and there are no signs of any more water.

Very truly,

D. B. Scully
