Dear Sir:

D. L. G.
ARTESIA, OFFICE

Re: SLUP-12656

Your application to convert and operate as a water disposal well the No. 1 Gulf Pipkin on oil and gas lease Las Cruces 070791-A, located 330/S and 605/E sec. 34, T. 26 S., R. 29 E., N.M.P.M., Eddy County, New Mexico, by injecting waste water into the Delaware formation through open hole section 2899-2905 feet, is hereby approved subject to the following:

1. This water disposal well will be operated in compliance with Special-Land-Use-Permit-12656 issued December 11, 1970, by and subject to jurisdiction of the Bureau of Land Management, Santa Fe, New Mexico, and operated in compliance with New Mexico Oil Conservation Commission Order No. R-4053, and regulations governing disposal operations.
2. Where applicable and required, right-of-way permits for pipe lines from other leases must be secured from the Bureau of Land Management or other respective owners prior to laying of any such gathering lines.
3. The usual Sundry Notice and Report (form 9-331 in quintuplicate) must be filed with this office prior to commencing any further workover, treatment, suspension of operations, or change of status of this well. Submit a Subsequent Report of Conversion for the work approved herein.
4. A monthly injection report (N.M.O.C.C. form C-120-A acceptable) must be submitted to this office in duplicate.

Sincerely yours,

James A. Knauf
District Engineer
