REPORT OF THE ENGINEERING CENTER

THE ENGINEERING CENTER has been organized to provide a central source of information and technical assistance to the Army and Navy in the field of engineering. The Center is composed of the following departments:

- 1. Department of Civil Engineering
- 2. Department of Mechanical Engineering
- 3. Department of Electrical Engineering
- 4. Department of Chemical Engineering
- 5. Department of Metallurgical Engineering
- 6. Department of Industrial Engineering
- 7. Department of Aeronautical Engineering
- 8. Department of Naval Engineering
- 9. Department of Marine Engineering
- 10. Department of Transportation Engineering

The Engineering Center is located at the following address:

1234 Main Street
Washington, D.C. 20540

For more information, please contact the Engineering Center at the above address.

The Engineering Center is a part of the Department of the Army and is authorized to provide technical assistance to the Army and Navy in the field of engineering. The Center is also authorized to conduct research and development in the field of engineering.
