Re: N. M. State Well No. 2, Unit K,
Sec. 8-25S-30E, Eddy County,
New Mexico

Dear Mr. Lowe:

This will acknowledge receipt of forms C-103, C-105 & C-110.

On your C-101 you proposed running 600' of 8-5/8" casing with 400 sacks. C-103 shows you ran 640' of 8-5/8" casing with 350 sacks which is O.K., but on your 5 1/2" casing on C-101 you proposed using 1100 sacks. C-103 states you ran 150 sacks.

Before you make changes as much as that, you should send C-102 to this office and get approval. You should also send us form C-103 on each string of pipe as soon as possible after running and not wait until the well is completed.

Very truly yours,

M. L. Armstrong
Supervisor, District No. 2
