Sec. 8-25-30
Eddy County, N. M.

Gentlemen:

A field inspection of the location of the subject well on
April 16, 1962, reveals that the pit has not been filled, dead-
man wires not cut. Please take care of this at once.

Very truly yours,

OIL CONSERVATION COMMISSION

Supervisor, District #2

Mr. Armstrong,

*I made arrangements with a contractor
in Orla to do this work several weeks
ago. I will contact him again and if he
is not able to do it I will get someone else.
Thank you for your cooperation.
