CERTIFICATE OF COMPLIANCE

By certifying that the rules and regulations of the Oil Conservation Commission have been complied with and that the information given is true and complete to the best of my knowledge and belief.	JUL 28 1982 <i>Mike Williams</i> OIL AND GAS INSPECTOR
<i>John J. Williams</i> (Signature) Production Analyst (Title) 6/25/82	This form is to be filed in compliance with Rule 1104. If this is a new well, it is allowable for a newly drilled or deepened well, and the information must be accompanied by a tabulation of the deviation tests taken on the well, as required with Rule 1104. All wells must be filled out completely for allowable production purposes. Full compliance with Rules I, II, III, and VI (in changes of casing, wellhead, tubing, etc.) must be shown for other than change of casing.
