Re: White Federal #1-II-31-26-26
North Mason Delaware Pool

Gentlemen:

As of this date except for the GOR test form, C-116, the only thing we have received on the above captioned well is the intent to deepen.

We have received nothing else. In order to issue an allowable, we will need copies of all sundry notices that were sent to the federal office, showing all work done and the original and three (3) copies of a C-104, Request for Allowable, showing purchasers and amount of allowable to be issued.

As of now we carry the well temporarily abandon with intent to deepen.

Very truly yours,

Les A. Clements
Supervisor District II
