REPORT OF THE COMMISSION  
ON THE OIL CONSERVATION COMMISSION

The Commission was organized on January 1, 1934, under the provisions of the Oil Conservation Act, Chapter 10, Laws of 1933. The Commission was organized to study the oil resources of the State of New Mexico and to recommend measures for the conservation of the same.

The Commission has held numerous public hearings and has received many suggestions from the public. It has also conducted extensive research into the oil resources of the State.

Very truly yours,

Chairman of the Commission

Secretary of the Commission
