Attention: Mr. R. L. Stamets

Gentlemen:

Thank you for your letter of May 21, relative to the status of the subject well. Since we are currently attempting to correct the mechanical difficulties and put this well back on production, we have not submitted a notice of temporarily abandonment. We hope that this can be accomplished by June 3, 1968.

If you think that it is still necessary to file a notice of TA or Shut-in for this short period of time, please advise.

Yours very truly,

Hiram W. Keith
