Welch Unit Wells
Welch Delaware Pool
Eddy County, New Mexico

Dear Sir:

In regard to your letter of July 22, Mr. Ritchie is in the process of selling these wells and all produced water is going to the tank. This transaction should be completed by the first of August before it is necessary for us to haul any water. What disposition the new owners of the leases plan, we have not been informed of.

As soon as the sale is complete, the necessary forms will be filed with you.

Yours truly,

Lamar Eschberger
Petroleum Engineer
