Dear Sir:

We herewith acknowledge receipt of Forms C-104 & C-110 on the above well. However, we need a tabulation of all deviation tests run, sworn to and notarized, before an allowable can be assigned to said well.

Enclosed please find copy of Rule 111 (Deviation Test & Directional Drilling). Under separate cover we are sending the forms and copy of Rules & Regulations that you requested.

Yours very truly,

W. A. Gressett  
Oil and Gas Inspector
