SECTION 3-T24S-R31E  
EDDY COUNTY, NEW MEXICO

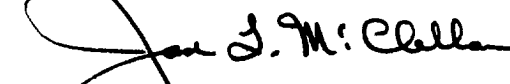

DEAR MR. GRESSETT:

PURSUANT TO OUR TELEPHONE CONVERSATION, THIS IS TO REQUEST  
ALLOWABLE FOR THE ABOVE CAPTIONED WELL FOR 134 BARRELS OF  
OIL.

THIS WELL WAS ORIGINALLY ASSIGNED AN ALLOWABLE ON AUGUST 5,  
1966, AND IN THE MONTH OF AUGUST MADE 149 BARRELS OF NEW  
OIL. SUBSEQUENT TO THAT TIME, ANOTHER 485 BARRELS OF LOAD  
OIL WAS UTILIZED. THIS WELL PRODUCED NO NEW OIL IN SEPTEMBER  
AND OCTOBER, AND AS A RESULT OF MY NOT BEING ABLE TO FILE A  
GOR REPORT, THE ALLOWABLE FOR THIS WELL WAS CANCELLED AS OF  
NOVEMBER 1, 1966. THIS WELL WAS PLUGGED AND ABANDONED ON  
DECEMBER 15, 1966. AT THAT TIME THE WELL HAD RECOVERED ALL  
LOAD OIL PLUS 134 BARRELS OF NEW OIL. THIS OIL IS NOW IN A  
STORAGE TANK ON THE LEASE.

I WOULD GREATLY APPRECIATE YOUR ISSUING AUTHORITY FOR THIS  
OIL IN ORDER THAT WE MIGHT SELL IT TO THE TRUCKING COMPANY  
AT THE EARLIEST POSSIBLE TIME INASMUCH AS THE TEST TANK IS  
ON A RENTAL BASIS.

YOURS VERY TRULY,

  
JACK L. MCCLELLAN
