Re: #37 Poker Lake Unit
NW SE Sec. 8-25-30

Gentlemen:

The enclosed Forms C-103 on the subject well are being returned for some additional information.

Please show date spudded, grade, weight, size and amount of casing, the amount and type of cement used and if it circulated to surface or not. Also show the WOC time and the results of the casing test as prescribed by Rule 107 Commission Rules & Regulations.

Very truly yours,

OIL CONSERVATION COMMISSION

W. A. Gressett
Supervisor, District No. II
