(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

1. If the well is to be plugged, state all pertinent details, and give pertinent dates, including estimated date of starting any plugging work. If the well is to be abandoned, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to the work.

This well plug back and is related to water well on June 24, 1969.

This well was properly capped and left to be used as a stock water well for J.W. Miller on the Washington Ranch. If you require further information please so advise me. Thank you,

Wm. H. Miller
