Dear Mr. Grissett:

I am enclosing a copy of the Oil Conservation Commission's administrative order NSP-899 approving 394.03 acre non-standard proration unit for the captioned well. I am also, enclosing form C102 designating lessors and royalty owners of the undivided leases in the proration unit.

We have secured all necessary signatures for the communitization agreement prior to sending it in for State approval except Cities Service Oil Company. The communitization agreement is in the hands of Cities and will be forwarded immediately upon receipt.

I sincerely appreciate your patience and understanding in this matter, and if further information is desired, please contact me.

Very truly yours,

Tommy Phipps
Executive Vice President
