Re: BF Federal 4
#3-H-2-26-24
Eddy County, New Mexico

Dear Sir:

Since filing Form C-104 on the above reference well, testing has continued.

The well has stopped producing oil and is now producing water and gas with the gas increasing. Testing will continue until pressure and production is stabilized.

At this time a revised form C-104 will be submitted.

Sincerely yours,

Bruce C. Monroe
