RE: Samedan Oil Corporation
No. 1 Sloan Federal
660' FNL and 1980' FWL
Section 15, T-26-S, R-23-E
Eddy County, NM

Gentlemen:

Please be advised that I desire to assume operations and retain the Samedan Oil Corporation No. 1 Sloan Federal as a fresh water well for my ranch operations. It is my understanding that Samedan has complied with all of the rules and regulations pertaining to plugging and abandonment of the subject test well, and that their casing will remain in the

Instructions

submitting proposals to perform certain well operations, and reports of such operations when completed, as indicated, on Fed-
ble Federal law and regulations, and, if approved or accepted by any State, on all lands in such State, pursuant to applicable
v special instructions concerning the use of this form and the number of copies to be submitted, particularly with regard to
offices, either are shown below or will be issued by, or may be obtained from, the local Federal and/or State office.

te requirements, locations on Federal or Indian land should be described in accordance with Federal requirements. Consult local
ons.

and subsequent reports of abandonment should include such special information as is required by local Federal and/or State offices.
ould include reasons for the abandonment ; data on any former or present productive zones, or other zones with present significant
otherwise ; depths (top and bottom) and method of placement of cement plugs ; mud or other material placed below, between and
ing of any casing, liner or tubing pulled and the depth to top of any left in the hole ; method of closing top of well ; and date well site
approval of the abandonment.
