Re: Red Bluff Federal NM-0459053

Dear Mr. Gressett:

Regarding our Red Bluff Federal # 1 Well, we are disposing of our produced salt water by hauling said water to the Hanson Federal Lease LC-068282-B, Well # 11.

Due to high percentage of water being produced by this well, it is not being produced every day.

Sincerely,

HANSON OIL CORPORATION

Ray Willis  
Vice President/ Production
