Gentlemen:

According to our records, Form C-104 was submitted on the subject well designating Natural Gas Pipeline Company of America as the gas transporter and showing a connection date of June 25, 1975; however, to date, we have not received a Notice of Connection from said transporter. Therefore, Form C-104 has not been approved.

Please check and advise as to the status of this well. If you have any questions concerning this matter, please feel free to call upon me.
