Dear Mr. Gressett:

Attached are six copies of Application for Permit to Drill, Form C-101; Well Location and Acreage Dedication Plat, Form C-102; and plat of the area to be communitized for Milepost Com. #1, Well No. 1.

A hearing is scheduled for September 19, 1979, for application for a non-standard unit, Case No. 6666. This exception is being requested due to the irregular size of the sections near the State line. The communitized area will consist of all of Section 36, T26S, R25E, and the west half of Section 31, T26S, R26E, in Eddy County, New Mexico, and will contain 377.57 acres.

Very truly yours,
