to caliche road West at Marathon Oil Company sign and
Buck Jackson Ranch sign
2. Planned access road - See Attachment No. 5 -
Will use existing roads.
3. Location of existing wells - See Attachment No. 5.
4. Lateral roads to well location - See Attachment No. 5.
5. Location of tank batteries and flow line:
200' South of well on edge of location.
6. Location and type of water supply:
Proposal - Re-enter P&A well and complete as fresh water supply -
Location 660' FS&WL of Sec. 20, T-26-S, R-31-E. Eddy County, New
Mexico. See Attachment No. 6.
7. Methods for handling waste disposal:
Drill cuttings and associated drilling fluids will be collected
in a dirt pit. After drilling is completed, liquids will be
allowed to evaporate and the pit will then be leveled using a
bulldozer.
Trash, garbage, etc., collected during drilling operations will be
buried in earthen pit.
8. Location of camps:
Not applicable.
