Re: Proof of Publication
Proposed Corral Draw #2
Saltwater Disposal Well
Sec. 22-T25S-R29E
Eddy County, NM

Dear Mr. Catanach,

Enclosed please find a facsimile copy sent to me by the Carlsbad - Current Argus newspaper to verify proof of publication of our application to convert the Corral Draw #2 well to a saltwater disposal. This advertisement ran November 7, 1991.

If no objections to our application are filed within the required 15 days we would like to commence this project as soon as practically possible. I hope you will find time to review our application in the mean time so that if there is any additional information you might require I could provide it. Thank you for your time and consideration.

Yours truly,

BETTIS, BOYLE & STOVALL
