COMMISSION

JUN 28 1982

Mike Williams
OIL AND GAS INSPECTOR

This form is to be filed in compliance with RULE 1104.
If there is a change in the data for a newly drilled or deepened well, the form must be accompanied by a tabulation of the deviation tests taken on the well in accordance with RULE 1104.
All sections of this form must be filled out completely for allowable new wells and for existing wells.
Fill out sections I, II, III, and VI for changes of owner, well name, or other such change of condition.
