Re: Grynburg II Fed. Com #1-G  
Sec. 11-25S-26E, Eddy  
County, New Mexico

Gentlemen:

Upon a routine inspection of said well it was noted that the sign did not properly identify township, range, section or footage from section boundaries. This office requires that all producible wells have a legible sign of durable construction within 20' of the well site.

Sincerely yours,

*Larry Brooks*  
Larry Brooks  
Geologist
