Gentlemen:

BBC, Inc. is the owner of SWD Right-of-Way NM 58368 and OCD Order R-7781, a copy of which is attached, the combination of which gives BBC, Inc. the right to dispose of salt water into the Delaware Sand.

In compliance with the special stipulations made a part of the Right-of-Way this is to advise that BBC, Inc. plans to commence operations to convert the captioned well to a salt water disposal well on or about five days from this date.

Yours very truly,

BBC, INC.
