Re: Ross Draw Unit
#10-27-26-30
Eddy County, NM

Gentlemen:

We hereby acknowledge receipt of the Completion reports on the subject well. However we did not receive the deviation tests sworn to and notarized, in accordance with Division Rule 111.

Further, according to the reports the tubing is set at 12,150.

Division Rule 107(d)3 requires the tubing to be set not more than 250 ft. above the pay.

Therefore you must apply to our Santa Fe office for an exception to said Rule 107(d).

If you have any questions concerning this matter please feel free to contact me.

Sincerely,

W. A. Gressett
Supervisor, District II
