

Memo

From

M.C. STUBBLEFIELD
DEPUTY OIL & GAS INSPECTOR

To

4/22/81

Inspected well hvc. No rig on hvc,
found 8 7/8" casing set in hole 2285'
no cement. Talked to Marcell
Sledge about paper work not being
submitted. He said he will call in
and get things straight. BBH rig #7
is to move onto well soon.
