Re: Pogo State #1
Unit A, Sec. 33-T26S-R28E
Eddy County, New Mexico

Gentlemen:

A recent field inspection trip on the subject well revealed the P&A marker did not have the operators name, the unit letter or footage, or the county on the marker. The dead men or tie downs were not cut and removed. Please notify us as to when these corrections are made.

I also noticed in the well file that you have not submitted a subsequent report of plugging the well, a Form C-105 completion report, and a set of logs on this well. Please submit same at your earliest convenience.

If you have any further questions concerning this matter please feel free to call me.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "Mike Williams".
