Gentlemen:

We are returning the enclosed Form C-105 on the subject well for additional information.

Would you please fill out the Formation Record on the back of the form? We also need the number of sacks of Class C used on the 4½" casing. We also have not received the subsequent report of plugging the well, or a copy of the logs run.

If you have any questions concerning this matter please feel free to call me.

Sincerely, -

A handwritten signature in cursive script that reads "Mike Williams".
