Re: Brushy Draw (Deep) Fed. #1
Section 24 - T26S - R39E
Eddy County, New Mexico

Dear Mr. Stamets:

In response to your letter of April 7, 1986 directing that we kill the well immediately and commence repairs as soon as possible, please be advised that arrangements were made this morning to get the well killed. This work should be accomplished in a matter of days. We will keep your Artesia District office informed of our progress.

Yours very truly,

J. W. Ward
Petroleum Engineer
