RE: Form C-103 for
Northern Natural Gas
No. 1-B-32-25-29
Wildcat Bone Spring Pool

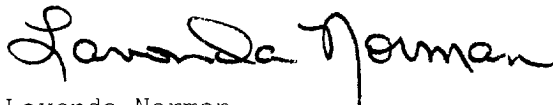

Gentlemen:

In reference to your letter of October 18, 1983, concerning the above captioned well. We submitted a C-103, Notice of Intention to P. & A., which your office approved on June 15, 1983. In this request we gave our proposed program and the Form C-103 you referred to was not that work. As soon as we receive approval from all of our Working Interest Owners we will then plug the Northern Natural No. 1 and set the plugs at 5500' and then on up the hole.

I hope this has answered your question, if not, please let me know and I will attempt to do so.

Very truly yours,
