Re: EP-USA #1-I-26-26-29
EP-USA #2-0-26-26-29
Eddy County, New Mexico

Gentlemen:

As per the C-123's submitted to this office 10-21-81, we extended the Brushy Draw Delaware Pool to include the EP-USA #1 well by order R-6912, effective date 3-5-82.

To date we have not received the completion on the EP-USA #2 well. Without receipt of this information we cannot create any new pools, or determine what zone in the Delaware you perforated.

Please submit this information so we can determine the best way to handle this.

Sincerely,

A handwritten signature in cursive script that reads "Larry Brooks".

Larry Brooks
Geologist
