Re: Yates Federal

Wildcat Pool

Gentlemen:

We called MMS in Roswell about the enclosed Sundry Notices on the above captioned well. They informed us the well had changed operators, and the lease name had been changed. We have nothing to show these changes.

Our files show Tom Moore as Operator, and the well name, Joseph Federal #1.

In order to keep our files current, and to assign an allowable for the above captioned well, we will need a C-104 showing a Change of Operator, and well name change.

We would appreciate this information as soon as possible.

Sincerely,

A handwritten signature in cursive script that reads "Leslie A. Clements".
