Gentlemen:

We acknowledge receipt of your C-103 dated April 26, 1983, regarding the plugging of the above captioned well.

However, we cannot approve the plugging of this well until we receive from you a C-105, Completion Report, filled out on both sides, the original and four copies of the Deviation Survey, and a copy of any logs that have been run on the well.

If we can be of any assistance, please don't hesitate to give us a call.

Very truly yours,
