Re: Form C-115  
Rule 1115

Gentlemen:

This office has received a computer printout from Santa Fe showing no production records were received from your company.

Also, this office has not received any Form C-115's, Operators Monthly Report, from you. You have an allowable of 61 barrels of oil per day as of July 1, 1983.

These reports are due monthly. They are to be postmarked no later than the 24th day of the next succeeding month. Failure of an operator to file this report in accordance with the provisions of this rule may result in cancellation of Form C-104 for the affected well or wells.

Please submit said report within the next 14 days to avoid cancellation of your allowable.

Very truly yours,

*Leslie A. Clements*
