Re: Form C-104
Rule 1104

Gentlemen:

Our office has received a notice from Conoco, Inc. stating that a gas connection has been made on the Amoco Federal well. They do not know the well number.

When a gas connection is made, the operator is required to file the original and four copies of the C-104 to the District Office under whose jurisdiction the well falls giving the name of the purchaser.

Attached is a copy of a C-104 with the parts marked that should be filled in.

If for any reason the purchaser of oil or gas is changed, a new C-104 must be filed showing the change.

Very truly yours,

Leslie A. Clements
