Re: Stateline Federal
#1-D-35-26-29
Brushy Draw Delaware Pool

Gentlemen:

Your BIM reports, 9-331 and 9-330, and your OCD report, C-104, indicates that 4½" casing has been set at 4604'.

You have the perforations listed from 4935' to 5892'.

Would you clarify this for us please?

Sincerely,

Leslie A. Clements
Supervisor District II
