Brushy Draw Delaware Pool

Gentlemen:

Our office has received a request for allowable, C-104, on the above captioned well, but as of this date we have not received the sundry notices as to when the well was spudded, when casing was run or any type of completion reports.

Before an allowable can be approved for this well all of the necessary reports must be in our office and also copies of all logs that have been run on the well.

As soon as these reports and logs are received, an allowable will be assigned.

Sincerely,

Leslie A. Clements  
Supervisor District II
