Brushy Draw Delaware Pool

Gentlemen:

Before an allowable can be assigned to the above captioned well, we will need a copy of the completion report, the Deviation Survey, and a copy of all logs that have been run on this well.

As of this date we have not received the sundry reports from the BLM office showing when the well was spudded and when casing was ran on the well.

When copies of these reports have been received in this office an allowable will be assigned.

Sincerely,

Leslie A. Clements
Supervisor District II
