13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Meridian Oil Inc. respectfully requests approval to continue this well in a shut in status. This well is strategical in the development of our Inkling prospect which is set to begin drilling in or about March. Should the drill wells proof significant reserves, then this well will be converted to a disposal well for the water.
