State NM Oil and Gas Lease V-1579

Gentlemen:

The above captioned wildcat test well was drilled and subsequently plugged and abandoned in August, 1986. The location has now been cleaned and appropriate dry hole marker installed as per NMOCD regulations. With this letter, Bran Oil Corporation respectfully requests that the State of New Mexico now release Bran Oil Corporation's plugging bond relative to the well.

Thank you for your time and consideration in this matter.

Yours very truly,

BRAN OIL CORPORATION
